

Putting GO Back Into the GOspel!

April 8, 2018 | Matthew 28:19-20

Last words make a powerful statement. Jesus' last words to His disciples were to be their first priority. The last words of Matthew, recording what Jesus said, focuses on our responsibility to make disciples. Luke recorded Jesus' last words in the book of Acts calling us to share Jesus everywhere with everyone. The gospel message is a **GO** message!

It's all about putting **GO** back into the **GOspel**!

We gather to scatter.

We are to...

GO—Keep the message clear.—Rom. 1:1, 14-17

- **GO**spel = eu (good) + angellion (message)

GO—Reach every person in every place by every available means.—Acts 1:8

- It's about sharing locally, regionally, and globally.
- It's about sharing with difficult people.

Who are your Samaritans?

GO—God's way of sharing the **GOspel** is us.—Rom. 10:13b-15

- Each of us has a vital role to play in sharing the **GOspel**.—Rom. 10:16

So how do I share?

- Live what you are sharing.
- Find your fit.

I will share the **GOspel** by _____.

- Look daily for open doors.
- Do something uncomfortable!
