NOVEMBER 6-10

2.018

MILLION MEALS

MOMENT - MOMENTUM - MOVEMENT

It's a divine **moment**, or as the giant banner on the semi-trailer states, it's "A Week to Change the World." From November 4-11 we take a **moment** to collectively leverage our time, talents and resources to feed the hungry locally, regionally and globally. Through our Feed My Starving Children MobilePack, we will pack 2.018 million meals mixed with, "vitamins, veggies, soy, and rice" that will literally be shipped around the world. This marks our eighth FMSC event, and this year, we will surpass 13.5 million meals.

That's not all! Through our *Let's Give It All Away* offering on November 4, we will seek, in a **moment**, to not only fund the FMSC event, but also come alongside local and regional food distribution centers. A potential 75+ ministries will benefit from the overwhelming generosity of the people of NMC, resulting in massive impact to the hungry in our own communities.

We believe this is a **moment** worthy of our best efforts. It's a time for us to collectively come together and take up Jesus' call to care for "the least of these" in a tangible way.

Still, that's not all! This is more than a **moment**. God can use a **moment** like this to do something beautiful in His people. The **moment** produces **momentum** and ultimately can be marked by a **movement** that affects the way we live for the remaining 51 weeks of the year. We believe in it, because we've seen it happen. It's not only a "week to change the world," it's a week to change *our* world.
